## 2014 PRE-QUALIFICATION EVENT

*Congratulations on pre-qualifying to take part in the 2014 Pre-Qualification Event!*  
Auto loan pre-qualification gives you the power to show up at the dealership as a buyer, not a browser. You have been pre-qualified for an auto loan of \$8,500 up to \$26,900\*\*.

Now, we know what you must be thinking. You are asking yourself if this is really possible? Yes, it is. We have a very different kind of approach. In fact, we are light years ahead of your typical finance sources. We have to point out that we are not contacting you by accident. We are very careful to whom we extend an opportunity of auto financing.

You must be wondering how you pre-qualified for this incredible offer?

This offer has been extended to you because you have satisfied the strict criteria for creditworthiness used to identify select consumers for such programs. Even if you have a discharged bankruptcy\*\*\*.
